

Welcome to UWC!

Student and parent information and conditions of application

UWC schools, colleges and programmes deliver a challenging and transformative education experience to a diverse cross section of students, inspiring them to create a more peaceful and sustainable future.

UWC has 17 schools and colleges across 5 continents all with distinctive characters but sharing the same mission, ethos and values.

Although strong academic achievement is valued highly at UWC, academic achievements are put into perspective with a demanding mix of community engagement, international affairs, physical activities and creative pursuits.

Our student intake is deliberately diverse and each of the schools and colleges draws together students from many different nations and backgrounds. Our bursaries, scholarships and fee structures aim to ensure a broad socio-economic mix within the student body that adds value to the student experience and the organisation.

UWC depends on the dedication and expertise of a network of volunteers to promote UWC and select future students. These are called national committees and they operate in more than 145 countries worldwide.

Each year a national committee will receive from the UWC schools and colleges a specific number of places (which may include a scholarship, bursary/partial scholarship or fee-paying place) for which they select students to study the International Baccalaureate (IB) Diploma. If a national committee exists in your country you must apply through that committee.

Please make sure you find out as much as possible about UWC before going ahead with your application. It is important that you understand the aims of the organisation and the commitment involved in the programmes that are offered. For more information please go to www.uwc.org

The UWC national committee in Malta is run by the UWC Malta National Committee, whose members operate and contribute on a wholly voluntary basis.

Further details about UWC Malta may be found at www.mt.uwc.org and/or our team may be contacted by e-mail at info@mt.uwc.org

To be eligible to apply you must meet the following criteria:

1. Aged between 16 and 18 years old by August 2019;
2. Enrolled in a Malta-based school/educational institute for the past 3 years (i.e. since 2014);
3. Completed your secondary education or your first/second year at a post-secondary institute by June 2019.

Your final application must include:

1. Completed application form;
2. Two essays on separate pieces of paper;
3. Two references in sealed envelopes; and
4. A copy of your latest school report/academic results.

Your application should be sent via post to the Curriculum Centre, Room 17, Sarria Street, Floriana FRN 1460; attention to Mariella Galea. All sealed references accompanying your application form must be submitted by post to this same address.

The closing date for applications is at **12 noon on 14 December 2018**. No late or incomplete applications shall be considered.
